Hints for Exhibitors in the Flowers Class:

- All exhibits should be arranged attractively.
- Cut flowers are to be shown with long stem and where possible, with foliage.
- For taller stems & larger container, the use of cedar is recommended to hold the stems in place. **Note:** Cedar is used as a filler and is not to show above the container edge.
- Flowers should be as uniform as possible.
- A spray is a portion of the plant, with a number of flowers.
- A stem is a plant structure, carrying one or more flowers and/or buds.
- A bloom is an individual flower, one to a stem.
- If a bud is not opened and not showing any colour, it does not count as a bloom and it is a good idea to remove it.
- Exhibit(s) must contain the exact number of flowers specified in the section.
- Do not leave seed heads in the exhibit.
- Watch for wilted petals.
- Remove debris from the pot.
- Flowers and plants must be **insect and disease free** to be eligible for judging.
- In dahlia classes, green centres should not be showing and the blooms should be approximately 45 degrees from the stem.
- Ideal gladiolus should be 1/3 open, 1/3 bud, 1/3 green. Please use a tall sturdy container.
- A snapdragon may have more than one spike.
- African violets should contain only a single crown in a pot.
